

Student 2 Student Tutoring Program

BMMS is offering an inexpensive peer tutoring program after school.

The tutoring takes place from 2:30 P.M. – 3:30 P.M. in the library computer lab and is supervised by an adult (staff member or level II volunteer).

In case the student and the tutor are enrolled in the ASES program after school the tutoring can also take place from 4:00 to 5:00 P.M.

The tutoring program is offered Tuesdays and Thursdays.

The cost is \$5.00 per hour and is paid directly to the tutor each time.

The tutors are 8th grade students who have a GPA of 3.5 or higher, are recommended by their teachers, and have excellent academic, work habit, and citizenship grades.

Whether you are looking for a tutor for your student or your child would like to apply for working as a tutor, you can download the application forms on our website by clicking the links below.
