

MT. CARMEL SUNDEVILS

Mt. Carmel High School End of the Year Information Class of 2017

Dear Seniors and Parents,

Each year during the last week of school, seniors get the opportunity to enjoy planned activities leading up to graduation. To make sure the upcoming senior class activities will be successful and enjoyable for everyone, we ask that families please read the following information.

Finish Strong

Our seniors are excited and looking forward to the end of the year celebrations, but it is important for them to remember that they have several weeks of course work remaining and they need to “finish strong” especially as many have been offered a conditional acceptance to a 4-year school or opportunities to earn scholarships. Students must complete all class requirements and handle celebration activities in a mature and responsible way. Please remember that any poor choices in behavior could preclude a senior’s participation in Prom, senior activities, and/or the graduation ceremony. Our goal is for our seniors to be successful in their class work, enjoy the planned school activities, and conduct themselves as responsible young adults.

Graduation Requirements

1. Earn 230 credits
2. Pass all required courses

Please direct questions about your student’s credit or proficiency status to his/her counselor.

Caps, Gowns, Medallions and Diploma Covers

The deadline for ordering caps and gowns from Jostens online is May 5th. Your student will be able to purchase a cap and gown, medallion and diploma cover following senior breakfast on June 6th from the Jostens representative. The deadline for students who want to borrow and return the graduation regalia is May 5th. For more information on the borrow program, please refer to the packet of information that was distributed to families in the fall or on the Jostens website at:

<http://www.jostens.com/apps/store/customer/1006791/Mt.-Carmel-High-School/>

Caps and gowns will only be issued to students who have received a cap and gown card. These cards will be distributed to students at the completion of the senior check out process.

Please review this information carefully and keep it in a place where you will be able to reference it in the coming days and weeks.
